

King County

Housing and Community Development Program

Notice of CAPITAL Funding Availability Community Development Block Grant (CDBG)

2007 Capital Funding

IMPORTANT! Applicants are REQUIRED to submit a Pre-application in order to qualify for consideration.

Pre-Application Forms are available March 10, 2006 for non-profit organizations and public agencies to advise King County Housing and Community Development Program their intent to submit proposal(s) for funding for the following types of projects:

- community facilities: acquisition, construction or rehabilitation
- public improvements: acquisition, construction or rehabilitation
- other: minor housing repair, economic development, employment services through a Community Based Development Organization (CBDO) and other activities consistent with the objectives of the King County Consortium Housing and Community Development Plan for 2005-2009 and federal CDBG regulations at 24 CFR Part 570.

Please note that Housing Development RFPs and Human Service RFPs are not part of this process at this time. To request additional information contact King County Housing & Community Development Program (HCD), (206) 296-8672, or TTY: 711 (Relay Service).

CDBG Funds may be requested by nonprofit organizations and public agencies for:

- Community Facility projects including acquisition, construction, and rehabilitation of health and human service facilities, including but not limited to, senior centers; childcare centers; facilities for disabled adults; food banks; social service facilities; and health care facilities. Projects must be consistent with the King County Consortium Consolidated Housing & Community Development Plan for 2005-2009 and CDBG Program Regulations.
- Public Improvement projects including but not limited to construction or reconstruction of stormwater systems, water and sewer systems, streets, sidewalks and park facilities. Funds may also be requested to pay special assessments levied on low-income homeowners in connection with such projects and for removal of architectural barriers in existing public facilities. Projects must be consistent with the King County Consortium Consolidated Housing & Community Development Plan for 2005-2009 and CDBG Program Regulations.
- **Projects will be awarded funding in 2007 and must be completed by May, 2008**
